

42nd Annual Michigan Catalysis Society Symposium

Wednesday, September 29th, 2021

Live virtual sessions via Zoom

Call for Abstracts 42nd Annual Symposium of the Michigan Catalysis Society

Date: Wednesday, September 29, 2021

Place: Virtual (zoom link will be sent at later date to registered participants)

The Michigan Chapter of the North American Catalysis Society invites your contribution for the 42nd Annual Symposium. The contributions should be on either fundamental or applied homogeneous or heterogeneous catalysis. This all-day symposium will feature a plenary lecture by the winner of the 2021 Michigan Catalysis Society Giuseppe Parravano Memorial Award for Excellence in Catalysis Research and Development (to be announced shortly), and an invited lecture by Prof. Abhaya Datye, Distinguished Regents' Professor & Department Chair, Department of Chemical & Biological Engineering, University of New Mexico.

In addition to these presentations, there will be a number of contributed abstracts in oral formats. We anticipate that the oral presentations will be a mix of 20 minute and 10 minute time slots, including time for questions.

Student participation and abstract submission are strongly encouraged. The top two outstanding student oral presentations, as determined by a panel of judges, will receive awards of \$150 following the meeting.

A one-page abstract, in printable form should be submitted via E-mail as a Microsoft Word[®] document by **5:00 PM, Friday, August 20th** to michigancatalysissociety@gmail.com. An example of the format to be used for the abstract is attached. If multiple abstracts are submitted from any single group, please rank them in the order of your preference. The final program and registration materials will be emailed to you.

We encourage our MCS colleagues to copy and circulate this call for abstracts.

SUBMISSIONS FROM BOTH INDUSTRIAL AND ACADEMIC MEMBERS ARE STRONGLY ENCOURAGED. THE MCS BOARD BELIEVES THIS IS CRITICAL FOR ACHIEVING THE GOALS OF THE MEETING. PLEASE MAKE AN EFFORT TO CONTRIBUTE TO THIS PROGRAM.

42nd Annual Michigan Catalysis Society Symposium

Wednesday, September 29th, 2021

Live virtual sessions via Zoom

INSTRUCTIONS FOR PREPARING ABSTRACTS FOR THE ANNUAL SPRING SYMPOSIUM OF THE MICHIGAN CATALYSIS SOCIETY

Simon Bare, George Graham^a, and Alan Brenner [underline presenting authors name]

^aCatalysis Laboratory, Wayne State University
2012 Chemistry Building, Detroit, MI 48000

Acceptance of abstracts will be based exclusively on the evaluation of a one-page abstract that must be submitted in this format. Please submit the abstract via E-mail as a Microsoft Word[®] document to michigancatalysissociety@gmail.com by **5:00 PM, August 20, 2021**. In your email please include an e-mail address where you can be reached. As in previous symposia, these abstracts will be bound into a booklet that will be distributed before the meeting. Abstracts should be detailed with specific statements of results and preferably contain a few references.

Guidelines for the preparation of abstracts:

1. One page only (250 - 300 words).
2. Type on 8.5" x 11" white paper.
3. Use Times New Roman font, size 12.
4. Single space (6 lines/inch) within paragraphs (justified), and double space between paragraphs.
5. 1" margin on left, right, top, and bottom.
6. Cut figures into body of abstract. (High-resolution image is recommended)
7. Right hand margin justification is optional.
8. Underline name of speaker.
9. Up to 1 figure or schematic is allowed.

References should follow the style used in the Journal of Catalysis and be listed at the bottom of the page.
